What's the word in Hilltopper Country?

Events – Past, Present, Future

The Hilltoppers mourn the loss of two family members.

Sheryl Lynn McKeen, daughter of Emery and Judy McKeen, was killed March 26 in a motorcycle accident. A terrible loss, our thoughts and prayers are with you. The Hilltoppers have made a donation on Sheryl's behalf to the Payson, AZ High School Softball program.

Harold Soens passed away on March 30th after suffering a heart attack. Harold was a great person and a tireless champion for the off road community. Always a quick wit, his enthusiasm for life was contagious. Godspeed Harold, you will be missed.

Events Past:

Hilltoppers Wild West Grand Prix at 29 Palms

Man, where to start. Simply put, one of the finest GP's in the modern era. Outstanding effort by everyone involved and a great turnout with over 1300 race entries. Very few complaints from the hard to please GP racers – it's an odd day on the D37 internet message board when no one has anything to bitch about. Course lay out was great and conditions superb with all the water and grooming throughout the weekend.

Thanks to everyone who labored for the weeks before the event, during the event and after the event. From the equipment operators, track crew, sign up, start team, referee, flaggers, gate team, cook team, finnish crew, etc. Too many names to include them all but you know who you are - Especially the 29 crew, you guys made it happen in record time, Big Thanks.

The standard was set for the Big 6 that weekend, other clubs better be on their game. A few things to improve on of course but truly a great showing for the club. I can't really do it justice here, simply too much to report on the weekend. Again, thanks to all involved. Event photos posted at www.HilltoppersMC.com.

2006 Pete "Bad Kitty" Brown Gonzaga ride

Woوو Doggie....errr Kitty. Needless to say a good time was had by all. We had 22 people total, 19 on bikes, 3 in a truck and not one live chicken for miles. A great couple days of riding along with world class bench racing, libations and general tomfoolery. A

few get-offs but everyone made it home safe and without injury. Many stories to tell but as the saying goes...those that live in glass houses....

Thanks to Bob Daily – It turns out he runs an oasis for wayward dirt bikers. Complete with 24 hour truck storage and security, hot showers, welding, cowboy coffee, cold beer and beds for 10 or more. Thanks Bob, we had a great time and appreciate you being there.

Thanks to Pete Brown – What a great couple of days. Gonzaga weather was perfect and you can't beat the waterfront beach accommodations. Thanks for letting us mess up your place.

Thanks to Christian Lee – Holy mackerel, we've never eaten so well in Mexico. Seemed just as we finished with one meal another one was served. Didn't miss a beat all weekend – We ate like Kings I tell ya'.

You do not want to miss this ride next year – Great riding, great friends, great fun. Check out www.HilltoppersMC.com for the photos.

Present:

Big 6 GP's

Our GP Squadron has taken some hits but keeps on rockin. I'm looking for a GP Race Reporter. If anyone that races the GP's would like to submit race reports we can get them in the newsletter and give y'all some props. Doesn't have to be long, just a few paragraphs. Always looking for good content, let me know if you want to do it for the Big 6.

New Member: Art Forman has been voted in as our newest member. He and his son have been riding the GP's and all you GP'ers probably already know him. He seems to be a good guy, well at least he brings beer to the meetings. Welcome aboard Art.

Honorary Member: The club voted in James Mooney as an honorary member. Pretty much everyone knows James and his family, great people. Thanks for all your help, we appreciate it.

New Race Jersey's

Our newest member Art Foreman went right to work attempting to class up the Hilltoppers - that's no small order. He is spearheading the jersey committee. The preliminary Artwork is done (see below), we should have pricing information soon. Feel free to chime in if you have any suggestions.
